## ABOUT US

*"I come from the beautiful town of Mayantoc in Tarlac, Philippines. Our family loves food and just like every Filipino family, eating is one of our bonding moments. I started cooking at an early age because it has always been a passion of mine to learn about our Filipino cuisine. When I moved to Canada, I missed my family and friends, especially when we went out to eat our favorite Filipino dishes. I tried to find a Filipino restaurant that made me feel at home. I had a chance to work in a Filipino restaurant and, when I realized how much people were enjoying my food, I decided to open my own restaurant. I want my customers to bond and enjoy our Filipino cuisine. Our vision is to reunite family and friends while they enjoy a home-cooked Filipino meal in a friendly atmosphere."*
